# Thermo-Kuli.

Safe food transport for HORECA  
and professionals.

## Thermo-Kuli.

### The professional for professionals. Excellent insulation and norm-compliant.

- **Keeps cold things cold and hot things hot.**

Superlative insulating properties to maintain the cold chain according to HACCP standards.

- **Perfect hygiene.**

Completely sealed surface prevents the penetration of crumbs or liquids.

- **Easy cleaning.**

Surface resistant to strong disinfectants or cleaning solutions; keeps its shape even at high temperatures, such as during steam-cleaning or in the dishwasher.

- **Always secure.**

Medium-resistant surface even lets you transport unpackaged foods.
